

RESOLUTION 3-10-2020-1

A Resolution fixing and prescribing rates for services to be charged by the Waterworks and Sewer Board of the City of Lineville, Alabama.

SECTION 1: RATES TO BE CHARGED

That the rates for services and facilities to be furnished by the board are hereby fixed as follows and subject to such adjustments from time to time as may be necessary to carry out the provisions of the Water and Sewer Revenue Bond Series 2012.

**WATER RATES
INSIDE CITY LIMITS**

Residential	First 1,500 gallons	17.14 minimum
	1,500 + gallons	6.65 per 1,000
Businesses, Schools and Commercial	First 1,500 gallons	21.29 minimum
	1,500 + gallons	6.78 per 1,000

OUTSIDE CITY LIMITS

First 1,500 gallons	21.29 minimum
1,500 + gallons	6.78 per 1,000

SECTION 2: EXPLANATIONS AND CLARIFICATION OF WATER RATES:

WATER RATES:

For the first one-thousand, five-hundred (1,500) gallons of water per connection the appropriate minimum fee set forth above shall be charged and collected. For any amount of water over the first one-thousand, five-hundred (1,500) gallons used by any connection as determined by meter reading the appropriate fee as set forth above shall be charged and collected for each additional and fractional one thousand (1,000) gallons of water used. All rates are on a per month basis.

CONNECTION:

SINGLE CONNECTION:

Any customer whether residential, household, dwelling unit, business, church or school, which uses a single water meter connection for each said customer.

MASTER METER:

A master meter is a single meter which serves more than one customer.

Any customer whether residential, household, dwelling unit, business, church, or school, which is connected to a master meter shall be charged the appropriate fee as if it is a single connection. Any water used beyond the minimum amount for the total number of connections to said master meter shall be charged to and collected from the owners of the master meter if those entities connected to the master meter do not each have an individual meter which is read by the Board.

OUTSIDE CITY LIMITS:

Those water service customers living outside the City limits of the City of Lineville shall pay the fee (s) set forth herein above. All other terms and conditions apply.

SEWER SERVICE CHARGE:

Residential	\$10.54 Plus \$3.30 per 1,000 gallons of water metered
Commercial	\$13.14 Plus \$3.81 per 1,000 gallons of water metered

All Residential customers receiving sewer service shall pay a minimum fee of \$10.54 per month for sewer service.

In addition to the minimum fee each Residential customer shall pay a fee of \$3.30 per thousand (1,000) gallons of water used by said customer as determined by water meter readings.

All NON-Residential customers receiving sewer service shall pay a minimum fee of \$13.14 per month for sewer service.

In addition to the minimum fee each NON-Residential customer (being all churches, schools, business, and any other commercial customer) shall pay a fee of \$3.81 per thousand (1,000) gallons of water used by said customer as determined by water meter readings.

All rates are on a per month basis.

This Resolution shall be effective as fixing the rates and charges which any customer, by accepting services from the Board, agrees to pay and the terms and conditions of rendering the same. The rates will be effective as of the 1st day of January, 2020 and will be included in the billing received in the month of February, 2020.

Passed and Adopted this ____ day of _____, 2020.
